

IN THE SPECIFICATION:

The disclosure is objected to because at page 1 the attorney docket numbers and "not yet assigned" designations should be replaced with the proper serial numbers and current status for the two referenced applications. In response, please note that an amendment was filed on June 13, 2002 substituting the disclosure at page 1 which included the required amended designations. Subsequently, the Examiner entered this amendment. A copy of the aforementioned amendment is enclosed, along with a copy of the successful transmission fax cover sheet.
